

Centenary Suburbs Historical Society Christmas Lunch

The historical society finished the year with a Christmas lunch at La Bonne Saigon. We were made very welcome with a screen with our logo and Christmas greetings. Our President, Caroline Hamilton, thanked us for our efforts during the year. We'll look forward to continuing our work to preserve our history in 2020. Jamboree Ward Councillor Matthew Bourke has been very supportive of the historical society over the years and we were pleased to have him at our lunch.
