

## **Mount Ommaney Shopping Centre Purchase**

YFG (Fo family) have bought the 25% Vicinity share in the Mount Ommaney Shopping Centre late in 2019. The Mount Ommaney transaction gives YFG full control over the centre.

This shopping centre will continue to benefit from the extensive population growth occurring in the region and provided significant future redevelopment opportunities. This includes an approved development application for a 11,481 m2 expansion, including a state-of-the-art cinema, casual dining precinct and entertainment destination together with an improved bus interchange and increased parking. However, it has not been reported if they will continue with the planned expansion.
